## **ENDERMOLOGIE**

### **THE ULTIMATE ADVANCEMENT IN BODY CONTOURING**

If you have imagined a slimmer, trimmer, firmer figure free from the dimpling of cellulite, you have imagined the shape of things to come -- your shape. With Endermologie™, it is now possible to create the beauty you have seen with your mind's eye. This patented technique, developed in France, efficiently produces results using a refreshing, non-surgical procedure applied through a course of weekly sessions. From head to toe, Endermologie™ enhances skin condition, and goes where no other available treatment can in combating fatty deposits that cause cellulite.

LPG USA, the world leader in the technical advancement of body contouring offers you the Endermologie™ experience. This comprehensive, non-surgical approach embraces the physical and aesthetic needs of the whole body using a patented technique proven safe and effective. Discover the beauty of a figure that inspires self-confidence. Renew the tone of your skin to soft and supple. Endermologie™ makes it possible with the ultimate advancement in body contouring and skin conditioning. A unique, whole body approach stimulates your body with deep, soothing motions that actually reduce the appearance of cellulite while defining your figure.
